# Student Engagement

#RR2025 – How students can gain valuable professional and unforgettable experiences as part of the World University

Düsseldorf, 15.11.2024

The Rhine-Ruhr 2025 FISU World University Games is **the largest multi-sport event in the world in 2025**, with an estimated **8.500 athletes and officials**, and around **150 international delegations**, hosted mostly in cities across North Rhine-Westphalia (Bochum, Duisburg, Essen, Mülheim an der Ruhr, Hagen and Berlin). (Event video: [What are the WUG?](#))

To prepare for this mega-event, an equally international and **professional team** of currently more than 150 experts has been formed as Rhine-Ruhr 2025 GmbH. This offers a unique opportunity for students to gain **exciting insights** into an event of this magnitude, to interact with delegations from 150 countries, and to gain valuable professional experience. A detailed overview of other activities, such as our thesis awards (prize money: €5,000), can be found on our homepage (News article: [What participation opportunities are there?](#))

We are looking for active support in **our diverse areas of operation**, such as International Services, Venue Management, Event Services, Media, Marketing, and of course our 18 sports. A detailed overview by work area can be found on the next page.

## We are looking for Interns!
